Supervision & art courier handling

Airport assistance & supervision

Our team organizes and assists with truck loading and unloading at Luxembourg airport.

We can also perform full airfreight supervision (securing, pallet build-up and break-down, aircraft loading & unloading).

Art courier handling

Fine Art Logistics Natural Le Coultre takes great care of art couriers travelling with fine art. We help them navigate Luxembourg's cargo airport, find accommodation in Luxembourg and accompany them to their plane or truck for the next leg of their journey.

Booking of airfreight and road freight

Airfreight booking

Luxembourg is the ideal hub for airfreight into and out of Europe. We are your preferred partner for any booking on Cargolux but also alternative carriers serving LUX airport.

Road freight booking

Together with our partners we can organize any fine art shipment from or to Luxembourg, from time critical express shipments to multi-truck projects.

Customs & cultural goods formalities

- Fortius can assist you with any customs formalities in Luxembourg including:
 - Temporary and definitive export declarations
 - Temporary and definitive import declarations
 - Issue of T1/T2 documents for EU transit
 - Handling of Carnet ATA shipments
 - Release for consumption for fine wines and other excise goods
- For T1/T2 documents, we accept third party guarantees to reduce your costs.
- Fortius also handles all necessary paperwork for goods travelling with cultural goods or CITES permits.

Secure overnight parking for art trucks

Fortius also provides secure overnight parking at the Luxembourg High Security Hub, next to Luxembourg airport's Cargo Center:

- 24/7 secure outdoor parking (fenced-in parking with camera) to allow crew to stay on board their vehicle

We can also assist you with booking hotel rooms and organizing the transfer from the truck to the hotel and back.
